

## **10 Key Guidelines for Parents - Helping to Stimulate Your G&T Child in Science**

- (1) Visit the Science Museum in London and utilise their website [www.sciencemuseum.org.uk](http://www.sciencemuseum.org.uk)
- (2) Watch/record/buy tickets for the Royal Institution Christmas Lectures on Channel 5. Visit the website [www.rigb.org/events/christmaslectures.jsp](http://www.rigb.org/events/christmaslectures.jsp) for more information.
- (3) Take your child to see a science/nature film at the IMAX cinema in London. Visit their website [www.bfi.org.uk/whatson/bfi\\_imax](http://www.bfi.org.uk/whatson/bfi_imax) for more information.
- (4) Utilise the student resources at [www.schoolscience.co.uk](http://www.schoolscience.co.uk)
- (5) Enrol your child in an LEA/private G&T Science Masterclass (1-2 days) during the school holidays
- (6) Play Science Trivial Pursuit.
- (7) Purchase chemistry set for home.
- (8) Watch/record Springwatch and Autumnwatch on BBC2 and encourage child to take part in challenges set.
- (9) Purchase adult technical Lego sets for advanced model construction.
- (10) Obtain scientific posters for child's bedroom wall e.g. The Periodic Table (with pictures), Space/The Solar System etc.
