

5<sup>th</sup> March 2010

Dear Parent/Guardian

As you know, later this term we will be welcoming the Cross Purposes Mission Team into our school. Members of Sion Catholic Community for Evangelism will lead the team and the Mission will be held from Monday 15<sup>th</sup> to Friday 19<sup>th</sup> March.

During their stay, members of the team will work in classrooms and with year groups, exploring the Gospel message with our young people. They will also lead assemblies, prayer times, celebratory liturgies and an evening event.

As the Mission is intended for the whole school community, staff, children and parents, we are writing to invite you, regardless of your denomination or faith, to the following evening event during the Mission:-

**“The Time Is Now!”**

**Wednesday 17<sup>th</sup> March**

**7:30 – 9:00pm, School Hall**

More information about this Mission Event is given in the enclosed Programme of Events. While the content will be primarily aimed at our pupils, the proceedings nevertheless will be relevant to us all.

We should be grateful if you would keep our forthcoming Mission in your prayers (please feel free to use our school's own special Mission prayer shown on the enclosed sheet) and we look forward to seeing you at the evening Mission event, which will mark a very special time for our school.

Yours sincerely

### School Mission Prayer

Father God,  
You have shown us your love  
through Jesus, your son.  
Today we pray that our special time of mission  
will help us to know and experience that love.  
Fill our hearts and lives,  
fill this whole place,  
with the love and power of your holy spirit.  
We make this prayer in Jesus' name.  
**Amen**
