## School Swimming Gala Monday 6<sup>th</sup> February 7.00pm – 9.00pm

Dear Parent/ Guardian

As part of the continuing house sports programme the school is hosting its swimming gala for this year at Cheam Leisure Centre on Monday 6<sup>th</sup> February running from 7.00 to 9.00pm.

All pupils that perform will be required to perform in black swimming trunks or small black shorts. Pupils may wear goggles if needed and a t-shirt to wear in between races. A towel will also be required for afterwards. Attendance at the Gala is essential for GCSE P.E students (Year 10/11) as this will assist in their formal GCSE assessment. All pupils should wear swimming trunks or shorts above the knee (black or dark blue).

The evening will have a full range of swimming events for all year groups from 7-11 including fun races for less competent swimmers and pupils will be encouraged to participate fully in as many events as possible. The evening has always been extremely well supported by parents who come to watch their sons perform and we hope that you can join us this year to support the boys again. There is a balcony for parents to view the pool from and limited parking on site.

We hope to see you there and thank you for your support

Kind Regards

Mr. S Walsh

Head of PE
