Dear Parent/Guardian

I am writing to inform you that the Parent/Teacher Consultation evening for Year 11 will take place on **Thursday 26th January from 4.00 – 6.00 p.m.**

Your son has recently completed the fourth term of his GCSE courses, as well as his mock examinations and GCSE examinations in English, R.E. and Science. Therefore I would ask you to make every effort to attend this evening to review your son's progress with his subject teachers.

The termly assessments are now live, which will include results from the mock exams. Please review these for any areas of concern which may be brought up by your son's teachers.

A copy of the dates for the summer GCSE exams will be sent to you via ParentMail before the meeting. Mr Binns will be available in case you have any questions regarding the exams.

Due to the large numbers in the year group, I will not be making individual appointments. However, I will be available throughout the evening if you wish to speak to me. The playground will be available for parking during the evening.

Please access the link below to indicate if you will be attending the meeting.
