

Oval Cricket Ground – Disabilities Day

9th May 2017

The students travelled independently to the Oval Cricket ground to take part in a 'Disabilities event' day near Vauxhall. Callum Smith (Y13), Mr Gregory and Miss Morley supported the students with the help of a volunteer from one of the sponsors to take part in the event

They were amongst 600 other participants from schools around the Surrey area, taking on activities such as Cricket (indoor and outdoor), bocce and volleyball etc. They took on various challenges throughout the day and even got to watch a professional cricketer in training- Jade Dernbach was kind enough to take his photograph in-between throws!
