

LIVING, LEARNING AND SHARING IN A CARING CHRISTIAN COMMUNITY

Our Vision

In our Catholic school, the teachings of Christ permeate all aspects of school life. We seek to offer a high standard of education for all, care to the individual and good relations between staff, students and parents. Each person is recognised as a child of God, an individual who is encouraged to develop his/her God-given talents, a sense of his/her own worth and to reach his/her full potential. In partnership with the wider community, we aim to prepare each student to make full use of the opportunities available so that all are able to contribute to society.

What This Means in Practice

Christ taught us to love, respect, be tolerant and forgive and these values underpin all that we do. We encourage an awareness of the living presence of our Lord in worship, prayer and by fostering spiritual development.

All students, whatever their ability, experience a planned and purposeful education which challenges and inspires them.

We try to meet the needs of every student, ensuring equal access to opportunities while valuing individual differences.

The care and support in our school community gives each person the opportunity to learn sensitivity, justice, generosity, compassion and self discipline.

We encourage an awareness of each student's potential and have high expectations to help them achieve this through praise, support, discipline and guidance.

We actively promote service to and purposeful links with the local and wider community and ensure that all students have the necessary skills, attitudes and values required to take a positive role in society.
