During the week

Skills for Life

- The theme for National Apprenticeship Week 2025 will be **‘skills for life’**.
- A chance to reflect on how apprenticeships can help individuals to develop the skills and knowledge required for a rewarding career.
- Businesses then benefit from a talented workforce that is equipped with future-ready skills.
- For us in school it is a great opportunity to talk and learn about what an apprenticeship is and to think about whether it is a potential future pathway for you.
