	Psychology	Economics	Mathematics	Psychology	
		Computer Science	Sociology	Business Studies	
		Politics			

Please note that the school cannot guarantee that a student will be able to study their preferred course(s). However, although we cannot issue any guarantee, where a course is heavily oversubscribed, we will always our best to ensure as many students as possible are taking their preferred courses. Where insufficient numbers request a course, the course may be withdrawn.

“Doing ordinary things extraordinarily well” – The Venerable Richard Challoner
