Music Technology FAQs

Can I take both A Level Music and A Level Music Technology?

Yes, many of our students do both courses, and they complement each other well.

Do I need Logic or similar at home?

The school's two Mac Suites are available to Sixth Form pupils throughout the week, and we encourage students to come and use these facilities. Having your own laptop and software is of course going to benefit the student, and this encourages daily use which will always help, but it is not a requirement.

“Doing ordinary things extraordinarily well” – The Venerable Richard Challoner
