

Richard Challoner School Sixth Form exists primarily to provide post 16 studies for students moving on from Year 11 at the school and these students are therefore given priority for places in the Sixth Form. However, the school also admits external applicants (both male and female students) into Years 12 or 13 and a minimum of 10 places will be available to applicants within this category. In September 2023, the Governing Body intends to admit a maximum of 150 (including internal and external students). It should be noted that admission to the Sixth Form will only be considered if the student's level of attainment is suitable for the proposed course of study. Details of course requirements are available in the Sixth Form Prospectus, which is available on the school website: www.richardchalloner.com/sixthform.

Where there are more external applicants than places available, the following oversubscription criteria will be used:

Criterion 1	'Looked After' or 'Previously Looked After' applicants who are baptised Catholics
Criterion 2	Applicants who are baptised Catholics
Criterion 3	Other 'Looked After' or 'Previously Looked After' applicants
Criterion 4	Applicants who are baptised (where infant baptism is practised) and members of other Christian denominations that are part of Churches Together in England, as well as Eastern Orthodox Churches
Criterion 5	Applicants who are members of other faiths
Criterion 6	All other applicants

OVERSUBSCRIPTION

- If the number of applicants exceeds the number of places within criteria 2, 4 and 5, the following tie breakers will be applied in the order stated below.
- Where the number of applicants exceeds the numbers of places within criteria 1, 3 and 6, tie breakers A to C in Section 2 below will apply.

OVERSUBSCRIPTION TIE BREAKERS

1. The strength of evidence of commitment to the applicant's faith, where appropriate, as demonstrated by the student's level of Mass attendance on a Sunday or equivalent (for Catholic applicants), or level of attendance at religious services (for applicants of other faiths). Applicants will be ranked according to the evidence provided on the school's Supplementary Form (SIF) which is available from the school/website and must be endorsed by the priest, minister or religious leader where the student normally worships.

Priority will be allocated as follows:

- (a) Applicants who have attended at their place of worship for at least one year prior to application. (Those who have recently moved to the area and have therefore worshipped previously in a different place of worship are asked to supply an additional reference from their previous priest, minister or religious leader, to ensure that the one year period is covered.)
 - (b) Applicants who worship weekly, followed by those who worship fortnightly, monthly, less often than once a month or are non-practising.
2. Within each level of attendance stated in 1(a) and 1(b), the following tie breakers will apply:
 - A A student with a brother/sister on roll at the time of admission. A brother/sister is defined as a full, step or half-brother/sister, or a legally adopted brother/sister living at the same address on the date of application.
 - B A student whose parent is a member of staff, where the member of staff has been employed at the school for two or more years at the time at which the application for admission is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
 - C Distance from the school, as measured by a straight line from the applicant's home to the school gate (adjacent to the school garage) used by students, located on Manor Drive North. All distances will be measured using Kingston Council's School Admissions computerised Geographical Information System. Where the last remaining place is to be allocated and two or more students are deemed to live at the same distance from the school, the place will be decided by the drawing of lots.

PREFERRED COURSES

Please note that the school cannot guarantee that a student will be able to study their preferred course(s). Where a course is heavily oversubscribed, places will be allocated based on GCSE points score, with the highest scoring students receiving preference for places on a course. Where insufficient numbers request a course, the course may be withdrawn.

LOOKED AFTER CHILDREN

Children currently Looked After and Previously Looked After are defined as:

- Children who are (a) in the care of a Local Authority or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions in accordance with Section 22(1) of the Children Act 1989, at the time an application for a school is made;
- Children who were Previously Looked After, but ceased to be so because they were adopted (under the Adoption Act 1976 or Adoption and Children's Act 2002) or became subject to a child arrangements order or special guardianship order.
- Looked After and all Previously Looked After children includes those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted.

CATHOLIC APPLICANTS

The definition of 'Catholic' means:

Members of the Ordinariate and the Latin and Oriental Rite Churches that are in union with the Bishop of Rome'. In the context of school admissions, Catholic children are defined as children who are baptised or received into the Catholic Church, (children baptised or received into the Eastern Churches in union with Rome and baptised children of members of the Ordinariate).

CHURCHES TOGETHER IN ENGLAND

The Governing Body will refer to the list of member churches on the Churches Together in England website. (Note: Children of other Christian denominations means: Children who belong to other churches and ecclesial communities which, acknowledging God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above. All members of Churches Together in England and of CYTÛN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis. A full up to date list of Churches that are members of Churches Together in England (CTE) can be accessed from the CTE website: [Churches Together in England : Member Churches list \(cte.org.uk\)](http://Churches Together in England : Member Churches list (cte.org.uk))

APPLICANTS WHO ARE MEMBERS OF OTHER FAITHS

'Applicants who are members of other faiths' means students who are members of a religious community that does not fall within the definition of 'other Christian denominations' and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include: 'A religion which involves belief in more than one God' and 'A religion which does not involve belief in a God'. Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

STUDENTS WITH AN EDUCATION HEALTH AND CARE PLAN (EHCP)

The admission of students with an Education Health and Care Plan (EHCP) is dealt with by a completely separate procedure. This procedure is integral to the making and maintaining of EHCPs by the student's home Local Education Authority. Details of this separate procedure is set out in the Special Educational Needs and Disability Code of Practice. An EHCP student naming the school will be admitted if the school deems their needs can be accommodated.

FAIR ACCESS PROTOCOL

The school participates in the Local Authority's Fair Access Protocol to allocate places to vulnerable and other children in accordance with paragraph 3.17 of the School Admissions Code 2021. Admitting children under the protocol may require the school to admit above the planned admission number for the relevant year group. It is possible that when a child is directed under the Local Authority's Fair Access Protocol, they will take precedence over those children already on the waiting list.

CHILDREN EDUCATED OUTSIDE THEIR CHRONOLOGICAL YEAR GROUP

Parents may apply for their child to be educated outside his/her chronological age group i.e. a year behind or a year ahead. Application should be made to the Chair of Governors at the time of application and any supporting evidence should be submitted at the same time. Governors will consider each case on its own merits and permission will only be given in exceptional circumstances.

WAITING LIST

Students who have not been offered a place at the school are offered the opportunity for their name to be placed on the waiting list, which will be maintained using the same admissions criteria listed above. It should be noted that, no matter how long a student's name has been on the waiting list, his/her position may change if the school adds an application to the list which has a higher priority according to the oversubscription criteria. Placing a student's name on the waiting list does not guarantee that a place will become available and does not prevent them exercising their right to appeal against the decision not to offer a place.

APPEALS

If you are unsuccessful in gaining a place at Richard Challoner School, you can appeal against the decision of the governors to an Independent Appeals Panel, which the governors have established under the terms of the relevant Education Act.

The school's admission arrangements were determined on XX/XX/2022 and will be reviewed annually by the Governing Body during the Autumn Term.

Evidence of Catholic Practice following the Coronavirus Outbreak

On the advice of the Education Commission of the Archdiocese of Southwark, the governing body of Richard Challoner School has agreed the following statement in order to clarify how its faith-based oversubscription criteria will be interpreted whilst churches are closed or attendance at church is not possible due to COVID 19. This statement has been shared widely with parishes in order to ensure that determinations made by parish priests concerning regular practice of the faith are being made on a consistent basis.

The suspension of the obligation to attend Sunday Mass was announced on 18th March 2020 by Bishops' Conference of England and Wales. If a parent/carer attended Mass at a certain frequency at a particular parish (or parishes) prior to 18th March 2020 then they will be considered to have attended Mass in that parish (or parishes) at the same frequency since that time. This will remain the case until the Sunday obligation is reintroduced by the Bishops.
