

Nuffield Research Placements

Experience Practical Research in Action in Summer 2023

STEM Learning are offering the opportunity to gain key Science, Technology, Engineering Maths and Social Science research skills by engaging in a 2 week on-site* Nuffield Research Placement.

*Placements will fit with organisations' working practice so may be a combination of face to face and virtual working

Students will also take part in online module assignments designed to develop essential professional, research, data and numeracy skills.

All students will have the opportunity to submit their report for a CREST Gold Award

Experience a real job in STEM

-

Enhance personal statement and CV

-

Meet experts in your chosen field

-

Increase confidence

- Applicants from low income homes will be prioritised
- Students are offered their very own research project, working alongside professional social scientists, scientists, engineers, technologists or mathematicians
- The scheme is highly regarded by universities and companies, a must for student interested in STEM and quantitative social science careers
